

# Electronic climate control (ECC)

- 1 Battery
- 2 Ignition switch
- 8 8-pin socket in combined instrument
- 10 Alternator
- 11/1-35 Fuses
- 12 12-pin socket in combined instrument
- 29 Positive terminal strip
- 31 Ground busbar in central electrical unit
- 42 Control lighting

- 81 Pressure sensor, cooling circuit
- 84 Water temperature sensor
- 85 Speedometer
- 131 Electric radiator fan relay
- 200 Operating solenoid, compressor
- 495 Control unit, ECC
- 496 Control unit, ECC sensor
- 497 Solenoid valves
- 498 Servomotor, ECC
- 499 Power unit, ECC

- 501 Heating fan motor
- 502 Outdoor temperature sensor
- 503 Solar sensor
- 504 Interior temperature sensor
- A Connector at instrument panel
- B Connector, RH A-post
- C Connector, LH A-post
- D Connector, LH wheel housing
- E Connector at instrument panel
